Social Justice Spotlight Award Winners

GPSA's JEDI committee would like to proudly announce the Social Justice Spotlight Award Winners for Spring 2023. These ASU graduate students have worked above and beyond to help promote the values of justice, equity, diversity, and inclusion. We would like to thank them for their tireless and often thankless work they to make our community a better place.

Robin studies AI technologies and cybersecurity in the public sector. Robin's dissertation explores public attitudes and implications on ethics and equity toward Facial Recognition Technologies (FRT) use in public services. Robin is broadly interested in digital surveillance technology, privacy, and Open Government Data (OGD).
